

Seekonk Salute to Seniors!

Seekonk Parent Advisory Committee (PAC) Surprises Seniors with Signs

These kids have had a rough end to their high school days. They are missing their friends, sports & activities. The prom and other senior events they were looking forward to have been cancelled. They are missing out on so much and we wanted to support them in some way. A few parents brought to us the idea of the signs and we thought it was a great idea. We kept it a secret so the families would be surprised when we delivered them.

Parents are telling us after the signs were delivered that this is the first time in a while they have seen a smile on their child's face. Follow us on Facebook to see more photos!

To the Seekonk High School Class of 2020: We know this wasn't the way you envisioned your Senior year. We are with you. We are proud of your class and all of the great things you have accomplished!

Senior Shout-Outs!

PARENTS: We would like to help you celebrate your seniors in our June issues.

Please call the office at 508-252-6575 or email marketing@reportertoday.com for details & pricing.
